NORTH AMERICA'S CRITICAL MINERALS STRATEGIES & NEW-ENERGY POWER PLAY — EXPLORATION, STRATEGIC CAPITAL, ESG, FIRST NATIONS, PROCESSING & RECYCLING DRIVING MINING, AUTOMOTIVE, AEROSPACE & DEFENSE INNOVATION

The **Critical Minerals North America Conference and Exhibition** is **Americas' longest-running international platform** for **critical minerals**, **raw materials strategy**, **supply chain challenges**, **sourcing** and **processing**, **mining investment**, **new energy**, and **clean-energy technologies** — uniting the entire mineral resources value chain in New York City.

The United States critical minerals sector is undergoing a rapid, **policy-driven expansion** under an **assertive "America First" industrial strategy** to **accelerate domestic processing**, **secure national-defense supply chains**, and **cut strategic dependence on China**. Surging demand from **green energy**, **artificial intelligence (AI)**, **high-tech** and **aerospace** is powering sustained growth, with the U.S. critical minerals segment projected to surpass **USD 12.9 billion by 2032**, feeding into a global market expected to exceed USD 715 billion by 2035. Despite multibillion-dollar federal investment, severe upstream deficits persist — driving a decisive shift toward **advanced processing**, **downstream capacity**, and **national stockpiling**.

Position your company at the **forefront of the mining & critical minerals industry**, alongside **25+ exhibitors**, and engage directly with **450+ key decision makers**, qualified buyers and industry professionals actively seeking **projects**, **technologies** and **solutions** that will accelerate mining momentum across America — and beyond.

Held in **New York City**, Critical Minerals North America connects **global investors**, **mining companies**, **energy firms**, **government representatives**, **investment funds**, **banks**, **industry associations**, **service companies** and **equipment producers** through personalised **networking platforms**, **1-2-1 meetings**, and high-level social events designed to **unlock new partnerships** and **investment opportunities** for the **next phase of North America's critical minerals transformation**.

WHAT YOU NEED TO KNOW ABOUT RARE EARTH ELEMENTS (REES)

What are Rare Earth Elements (REEs)?

They provide significant value to a nation's national security, energy independence, environmental future, and economic growth. Critical REEs are those deemed as supply risk and crucial towards clean energy technologies.

How many REEs are there?

There are 17 REEs as found in the periodic table.

21 Sc Scandium 44.956 | 39 Y Yttrium 88.906 | 57 La Lanthanum 138.905 | 58 Ce Cerium 140.116 | 59 Pr Praseodymium 140.908 | 60 Nd Neodymium 144.243 | 61 Pm Promethium 145

62 Sm Samarium 150.36 | 63 Eu Europium 151.954 | 64 Gd Gadolinium 157.25 | 65 Tb Terbium 158.925 | 66 Dy Dysprosium 162.500 | 67 Ho Holmium 164.930 | 68 Er Erbium 167.259 | 69 Tm Thulium 168.934 | 70 Yb Ytterbium 173.055 | 71 Lu Lutetium 174.967

Key Usages

1 **DEFENCE**
Satelite Communications
Aircraft Structures

2 **METAL ALLOYS**
NiMH Batteries
Fuel Cells

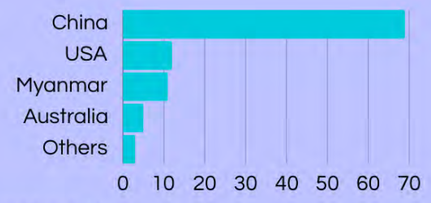

3 **CERAMICS**
Capacitors
Refractories

4 **CATALYSTS**
Petroleum Refining
Fuel Additives

Major Global Producers

China remains the world's top producer of rare earth elements, accounting for 69% of global production in 2023. USA is the second largest producer with 12% and Myanmar third with 11%.

3. Confirm your availability & schedule your meeting
4. Attend meetings to connect and discuss project updates and your services face to face

WHAT TO EXPECT

STRATEGIC CONFERENCE & DISCUSSIONS

Our industry leaders provide new perspectives, share cutting edge knowledge and insights to understand the rapidly changing industry.

Panel discussions, keynote & premium presentations or fire side chats present a perfect platform for more intellectual discourse. Moreover, conversations with other like-minded individuals provides a great opportunity to exchange viewpoints and foster new business contacts.

EXHIBITION FLOOR

At Mining & Critical Minerals, the exhibition floor provides attendees the perfect opportunity to discover the latest mining projects and new discoveries and experience the latest technological gadgets and applications in person.

Speak to mining companies CEOs and discuss the feasibility of the projects and financing options. At the same time witness how latest innovations can be applied to enhance various processes in the mining sector, in ways never even previously thought possible.

NETWORKING MEALS & EVENING DRINKS RECEPTION

Food and drinks always make excellent conversation starters. Hence Mining & Critical Minerals Conferences and Exhibitions devote substantial time to create the perfect environment for relaxed, casual networking meals and drinks.

With no set time limit on how long each meeting should last, attendees can freely mingle and discover new opportunities and contacts. The team is also on site to match make attendees based on their common business profiles or objectives.

1-2-1 MEETINGS

Undivided one to one attention is a tried and tested networking method. They can be a great platform to have confidential, direct and targeted conversations. Minig & Critical Minerals Events, with the help of the virtual business matching tool or on site staff introductions, facilitate such networking opportunities.

EXHIBITION PACKAGES

TRESTLE TABLE

Trestle table stands are sold per square ft, and provides you with a stand of 10′ x 8′ or 10′ x 10′ (max).

INCLUDES

- Table
- Chairs
- Carpet
- Electricity plug points
- Logo & description on website
- Logo & description in event guide

All other items are the responsibility of the exhibitor, and can be ordered via the forms made available in this manual.

MARKETING OPPORTUNITIES

PREMIUM SPONSORSHIP

This option is for companies wanting to lead the market, demonstrate their expertise and increase market presence. Sponsorship packages are tailored to meet your specific business goals, and typically include speaking slots, panel discussion roles, a prominent stand and various marketing benefits.

GET CREATIVE WITH BESPOKE PACKAGES

Explore the benefits of our bespoke offerings to support your marketing efforts and grow your brand in front of North America mining & energy leaders.

EXHIBITION STAND

There are 25 exclusive stands available on the show floor with variety of sizes available. Ideal for companies wishing to generate leads and network. The earlier you reserve the better the position you'll secure.

10 Reasons why you should get involved

1. Critical Minerals Events is your chance to align your brand with forward thinking mining & energy executives, governments, entrepreneurs, investors & innovators
2. Brand your company & enhance your visibility in front of 450 industry professionals
3. North America's leading platform solely dedicated to critical minerals ecosystem
4. Launch new projects, services, products & initiatives
5. Get brand prominence as an industry leader in North America and benefit from growing investments in critical minerals & energy industries
6. Establish your presence & open doors to new markets before your competitors
7. Meet, engage and do business with business professionals across North America
8. Generate new leads and meet investors & decision makers
9. Showcase your thought leadership with panel discussions & presentations
